

Hello and Welcome

Welcome to a new year at Lucerne! I am thrilled to be joining the staff and students at Lucerne, as well as getting to know community members.

The school year will officially begin with a half day on September 5th. School starts at 8:58 and students will be dismissed at 11:57. The busses will depart at 12:02. Our regular school hours of 8:58 to 2:57 commence Wednesday September 6th.

I have only been here for a very short while but I would like to thank the community for the kindness and support they have extended to me so far. I am very excited for the coming year and hope that together we can achieve great things.

All the best
Nicholas Graves - Principal LESS
